

Getting more involved with Knighton Neighbourhood Forum

Everyone seems to have a busy life, so we appreciate that you have come along to this meeting to support our local community, find out more and contribute to discussion.

Would you have the time to do this about once a month?

We need new elected committee members who have an interest in Knighton and its future development. We can also co-opt people with special knowledge or skills who aren't members. We need to hear the voices of young people, those with families, employed, unemployed, retired people, people with disabilities, business people from all backgrounds and those from different faith groups. Even if you think that you don't have the skills or knowledge, your opinions and time could be very valuable. Please consider joining our very friendly and helpful steering group as a committee member for this year. You can simply attend meetings, but there's also the opportunity to join in with some interesting consultations, workshops or meetings with experts.

Maybe you have more skills, time, or experience to help move the Knighton Neighbourhood Forum forward?

We would be delighted to nominate anyone who would be able to play a more significant part in creating a Neighbourhood Plan for Knighton. If you have:

- regular available time to talk with local people or deliver leaflets;
- publicity or social media skills to let people know what's happening;
- experience in similar community or planning groups;
- research skills – understanding documents or doing questionnaires

Please talk with a current member of the steering group and we will nominate you. There's a lot of work to do this year in writing the Neighbourhood Plan that will shape the future development of our local area.

Knighton Neighbourhood Forum Annual General Meeting 29.05.19
